OBJECTIVE Seeking a part- to full-time position in mountaineering and, as my skills grow, into a position of leadership in organizing outdoor programs. My goal is to increase my competence in climbing as well as gain a working knowledge of safety-oriented preventive leadership. I aim to be an AMGA-certified top rope climbing instructor, and a Wilderness First Responder.

CLIMBING Comfortable on gym 5.9, outdoors 5.7
Some outdoor trad. lead experience – Seneca Rocks, WV, Annapolis Rock, MD
Significant indoor sport lead experience – Earth Treks, Columbia, MD
Knowledge of traditional lead gear
Experience with top system setup and knots

WILDERNESS 2- to 3-day backpacking trips
Navigation with map and compass (Orienteering)
Campfire cooking, management of campsite
Leave No Trace ethics

TRAINING Adult first aid and CPR certified (exp. July 2007)
Education: Mountaineering I and II at CCBC Catonsville, MD (2 credits each)
taught by Michael Carroll, AMGA Individual Member.

EXPERIENCE	Ropes Course Facilitator, Genesee Valley O.L.C. Parkton, MD Summer-Fall 2005	Intern: Web Design Imaging Research Center Baltimore, MD Spring 2006	Website Volunteer/Translator American Red Cross Baltimore, MD 2003 - 2005
	Instructed rock climbing and other week long summer camp activities, including overnight camping and indoor / outdoor climbing. Continued working as a Ropes Course Facilitator over the fall, leading groups of up to 20 participants aged high school and above through experiential education challenges. Design promotional materials.	Create and maintain Flash website for the UMBC Imaging Research Center Artist-In-Residence, Kevin "KAL" Kallaugher. www.irc.umbc.edu/kal	Maintained the Intranet website for the Central Maryland Chapter. Created a new website structure and design using Style Sheets, and created the interface and structure for the Tracing Specialist Manual. Russian translation.
